

Grantor Attendee Policy

1. Children's Hospital Los Angeles (CHLA) allows representatives of a commercial interest to attend live certified activities, except for patient related conferences, providing they comply with ACCME Standards for Commercial Support, AMA Ethical Gifts to Physicians and OIG Guidance.
2. Complementary representative attendance at the live activity cannot be a condition for providing commercial support. Attendance at the activity is not tied to any promotional or exhibiting opportunity.
3. Grantor representatives are invited to listen to the proceedings of the activity for their personal educational information, but may not interject comments or questions during the educational activity.
4. No discussion of promotion or off-label uses may be conducted by grantor representatives within the CME activity.
5. If a representative wants to attend a conference and receive credit, he/she must pay a registration fee.
