

EXPERIMENTAL SUBJECT'S BILL OF RIGHTS

You have been asked to participate as a subject in a medical experiment. Before you decide whether you want to participate in the experimental procedure, you have a right to the following information.

CALIFORNIA LAW REQUIRES THAT YOU MUST BE INFORMED ABOUT:

1. The nature and purpose of the study;
2. The procedures in the study and any drug or device to be used;
3. Discomforts and risks reasonably to be expected from the study;
4. Benefits reasonably to be expected from the study;
5. Alternative procedures, drugs or devices that might be helpful and their risks and benefits;
6. Availability of medical treatment should complications occur;
7. The opportunity to ask questions about the study or the procedure;
8. The ability to withdraw from the study at any time and discontinue participation without affecting your future care at this institution;
9. Be given a copy of the signed and dated written consent form for the study; and
10. The opportunity to consent freely to the study without the use of coercion.
